- i. The speed limit on all of Lessor's property is ten (10) MPH at all times with no exceptions.
- ii. All signs and road signs must be obeyed at all times.
- iii. Lessee shall be responsible for all of their guests. Failure by a Lessee or guest to obey these signs will result in a Twenty-Five Dollar (\$25.00) fine to Lessee.

21. HUNTING: There is no hunting whatsoever on Lessor's property. No firearms shall be discharged on Lessor's property.

22. DUMPING: Chemicals must be used in all camping holding tanks. **If Lessee does not use blue chemical or other approved recreational vehicle ("RV") chemical products, his/her/their RV will not be pumped.** Do not use chlorine bleach. Also, if Lessee's RV is clogged or is unable to be pumped due to septic system problems, the RV will not be pumped and Lessee will have to fix the problem prior to another attempt at pumping. The next attempt at pumping will occur in accordance with the normal scheduled pumping.

If a Lessee needs to manually pump in between scheduled pumping, he/she/they may dump in the Linoma holding tank located in the middle of the RV park.

Lessee's flag must be raised on the Lot Post. If Lessee's flag is not raised, Lessor will not pump and will not return to pump until the next scheduled pump date except at Lessee's expense of \$75.00.

The pumping hose is twenty-five (25) feet. If Lessee fails to arrange for ease in displaying his/her/their flag, placing his/her/their RV, clearing a path for the convenience of the pumping system, the RV will not be pumped.

It cannot be over emphasized that Lessor's ability to pump at any Lessee's RV is said Lessee's responsibility. If Lessor discerns a Lessee is non-compliant with these dumping regulations, dumping privileges may be suspended for the balance of the lease term.

23. FIREWORKS: Fireworks are only to be used in accordance to Nebraska Law. Any person or persons using illegal fireworks will be reported to law enforcement. **Fireworks are never allowed during quiet times.**

24. DOCK SPECIFICATIONS: All docks must be approved by the Lessor prior to placement in the water.

25. KEYS: A maximum of two key fobs will be issued after Lessee has signed his/her/their lease, paid his/her/their rent, and paid a refundable fee of Twenty-Five Dollars (\$25.00) per key. If Lessee does not renew their lease, Lessee may return their key fobs prior to October 31st, and receive a refund of their deposit. If Lessee fails to return the key fobs prior to October 31st, Lessee forfeits the deposit. A nonrefundable fee of Fifty Dollars (\$50.00) will be charged for the replacement or loss of any key fob.

26. By signing this Lease, Lessee agrees to all the previously stated terms and conditions, to be a member of the Linoma Tenant's Association and to abide by the foregoing Rules and Regulations. There will be no exceptions to the Rules and Regulations of Lessor. Lessor reserves the right to change any rule at any time for the safety, security and convenience of Lessor or Lessees.
